OUR CREATOR

Our creator sends the rain,
from drips to quench, to monsoons to revive

Our creator sends the snow,
from drips to excite, to white blankets to fright

Our creator sends the hail,
from stones to bash, to rocks to crash

Our creator sends the sun,
from rays to enjoy, to draughts that destroy

Our creator sends the wind, from breezes to chill, to hurricanes that thrill

Jaria Sabir

CREATION BY ALLAH (SWT)

Allah (SWT) made everything
Whatever you see, wherever you go
Was made by Allah (SWT)
Be sure to know

The sun by day the moon at night
The shining stars
Three kinds of light

Plants, flowers, trees so tall
Boys, girls animals in all
Whatever you see, wherever you go
Was made by Allah (SWT)

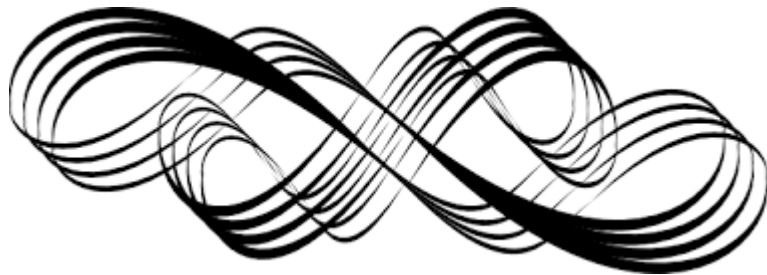

Hashim

ALLAH (SWT)

Allah is the greatest of that lives
He's all forgiving and merciful
He gives death and will resurrect
The creator and the protector is who he is
Remember there is no one greater than him.

ALL PRAISE TO ALLAH (SWT)

He gave us eyes to see ALHAMDULLILLAH
He us brain to think ALHAMDULLILLAH
He gave us hands to pray ALHAMDULLILLAH
He gave us so much that all the time we should keep on saying
ALHAMDULLILLAH ALHAMDULLILLAH ALHAMDULLILLAH

الحمد لله رب العالمين

PRAYER

Allah created the universe
All of man kind
He shows mercy and generosity
Even when we are blind
Guide me, forgive me, have mercy on me,
Oh You who controls land, air and sea

'Our Lord' give us in this world good
And in the hereafter good
And protect us from the punishment of the fire!
Accept my prayer and forgive my evil deeds
Save me,
A servant who is desperately in need.

Haydar Hajaig

EXISTANCE OF ALLAH(SWT)

ALLAH (SWT) is everywhere
No one can see him
He is the light in our eyes
He made you and me to see everyone
He made eyelids so we can close our eyes to sleep in our beds comfortably
He gave us brains so we can think what is right or wrong
Brightening our hearts so
I can't believe how lucky I am
ALLAH (SWT) is most powerful
Everyone can tell

Salmaan

PROPHET MUHAMMAD

You were born in Mecca a holly place
A life of hardship you were to face

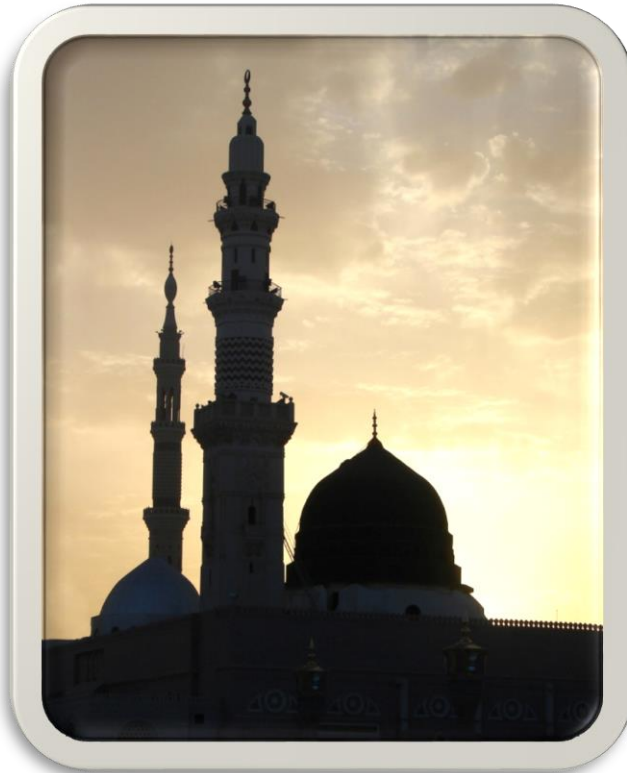

The Holy Quran was revealed to you
and lots of people around the world follow you

You taught us how to be kind and caring
You showed us how to always be sharing

You are my role model – best of mankind
And I will try to be like you, never selfish or unkind

You came to mankind to show us the way,
And inshallah we'll meet you one day

Hamza Dahya

ISLAM AND MUSLIMS

Who can see everything
Like a camera on the motorway
He is our lord

FRIENDSHIP

A friend is like a flower
A rose to be exact
Or maybe a brand new gate
That never comes unlatched
A friend is like an owl
Both beautiful and wise
Or perhaps a friend is like a ghost
Whose spirit never dies
A friend is like a heart
That goes strong until the end
Where would we be in this world
If we didn't have a friend

PARENTS

You picked me up so many times
When I was just a child
You dried my tears when I was sad
You kept me by your side

You tried to make me go to school
To do my best
You wanted me to see the good
And sheltered me from the rest

So many times I hurt you
With cruel words, I had said
You know I dint mean them
And you love me anyway

If I had the choice to change my life
And change my family
I wouldn't change a single thing
Because the best parents belong to me

BIBI ZAINAB

Bibi Zainab was just,
a lady you could trust
In resilience she stood on Karbala's dust
Bibi Zainab was always loving
reassuring for Sakina in the prison of Shaam
In Yazeed's court she was strong and calm
In the court yard of Yazeed,
their escape she reconciled, in the speech she gave
Ali in her voice, Muhammad in her stance,
The Ummah in her mind
when the musalaas of her sons were presented to her
she mourned and wept
but she never was weak

Zainab Bandali

DON'T FORGET...

A girl is an actress
a boy is an actor
But don't forget, God is the director

TABLE MANNERS

Table manners are important for instance
Not to pick your nose
To close your mouth when eating
To chew and chew and chew
Then after that, swallow
Down your chest it goes
Try not to cough over everyone's food

"Alright bossy, fussy pant,
Please be quite dude"
I know I coughed out loud
It was an accident mate.
My food was burnt
That's why I coughed.
It must have come out of the oven late!
Remember not to burp or act like a jerk
when eating some ice-cream
or swallowing baked beans.

TWINKLE TWINKLE LITTLE STAR

Twinkle Twinkle Little Star
do your prayers thank allah
for he has given you everything
All blessings come from him

Twinkle Twinkle Little Star
make sure you fast and give Sadka
for, he has given you everything
All blessings come from Allah

Twinkle Twinkle Little Star
do you wonder how you're up in the sky?
Allah made you and put you up high
so Twinkle Twinkle Little Star
never forget who you are and always
trust and obey Allah.

My friend my hero, he always will be
In sundry ways our uniqueness is clear
He likes to go far, but I favour near
He likes to play sports and being outside
I prefer to play nasheeds and playing inside
Sometimes we fight and scream at each other
but he is my friend for he is my brother

KARBALA

Karbala is a place of battle
Not the best place to keep cattle
Because of this, Imam Hussein gave his life
He sadly left his life
The Imam's soldiers saved Islam
Without them we wouldn't be here
Without the brave soldiers we would be full of fear.

Kaashif Ali Baig

PEACE

Peace is a word for Islam
All Muslims have peace in them

CREATOR

Nearness to Allah it brings me
My one and creator
Amazing is His mercy
And to him I ask to give me strength to pray with zeal

Ruqayyah Hemraj

Quran is the book to understand and read
and act upon it
Nearness to Allah is what we achieve.

Ruqayyah Hemraj

The image features the words "The Quran" in a highly stylized, calligraphic font. The word "The" is written in a smaller, simpler font above the word "Quran", which is rendered in large, flowing, black Arabic calligraphy. The overall style is artistic and elegant.

IMAM ALI

Imam Ali was very brave
in front of villians he never ran
He didn't ever stop fighting
So many he did save
He helped all of men

Imam Ali was very strong
He lifted the door of Khayber with one hand
With the mighty strength that Allah gave him
When he fought villians it took long
He showed his strength in Macca land.

Haydar Hajaig

I important lessons, the Imams and Prophets taught

S suffering is what they got

KERBALA

Kerbala is the holy land
Where our Imam was martyred
Every day we pray to him
to visit the Holy shrine
Restless we are waiting to be blessed
To kiss the Holy place
Again and again we want to visit
Love of Imam Hussein A.S. is forever in our hearts to cherish
And we wish for everyone to get an opportunity to visit this Holy Land.

Ruqayyah Hemraj

Personally I like making friends.

Ruqayyah Hemraj

RAMADHAAN

The holy month of Ramadhaan
For boys and girls has begun
From dawn till dusk we fast and pray
Praising Allah through the day
We pay zakat for those in need
Doing our best to do good deeds
When the sun sets and the day is done
I'll break this chain but only one
By the end of the holy month of Ramadhaan
It's time to celebrate
and share in the fun.

Hani

FAMILY

You are family
I am Kainaat
You are another loving person

You love me and care for me
You cook and pray for me
You are my loving and caring family
You always think of me thoughtfully

I love you very much
I appreciate you with all my heart
I hope you understand
That you will always be my amazing family.

Kainaat Shah

RUSTLING SOUND

I can hear you come
Through the rustling of the trees
such beautiful sound
But the same sound,
destruction it leaves
Fallen trees, debris and shattered dreams.

Hassan Naqvi

THANK YOU ALLAH

Thank you Allah for all you give
I know sometimes I am naughty
so please forgive me
Please teach me to be ready and willing to pray
Thank you Allah for our Prophet, whom I love
Please raise him in rank, paradise above.

Maisum Shah

PROPHET MUHAMMAD

When truth was lost and hearts frozen
From you Allah came a chosen Prophet
Blessed Prophet Muhammad, obedient to you
Taught us the things we ought to do.

He taught us for certain that you are one
And that you have neither a daughter or son
He taught us to be good to our mothers and fathers
and that paradise lies under the feet of our mother.

I love you my Prophet and sing your praise and follow your sunnah
One day I will come to visit your tomb
Inshallah that day will be soon.

Hassan Ali Naqvi

DAD

From a baby playing peek-a-boo
With a kid attending school with lots of work to do
Point is, our love has a special bond
Which neither of us cannot abscond from
Your love for me is the key to make me happy
You will always love me even if we're in different countries.

We've had some quarrels but we made amends
We've learnt the morals and now we're best friends
Sadly, this will all come to an end
Where I really wish I still had a dad
But you will always be in my heart
and we will never be apart.

Zain Rizvi

THE PROPHET OF ALLAH

What a year was 570 AD
a person was born
A Prophet to be
Muhammad (PBUH)
that was his name

People were misguided
And that's when he came
To guide us on the path of Allah
and to paradise
As he would go on
to leave all the idols behind.

Zainab

GROW DEAR CHILD

Grow like flowers
grow in peace
and in the laughter of sun

Be caressed by the winds
and the love of your family
And most of all
The love and mercy of Allah

Be watered, swell in joy
and climb towards your destiny.

Aleen Kazmi

NAMAAZ

Namaaz is when I talk to my lord and thank him
The first prayer is at the crack of dawn
When everyone's asleep, I wake up alone
The content I feel when I pray namaaz
Talking to my Lord, takes my worry away
Do your best and leave it in his hands
He will take care of you in difficulty
Such is the power of namaaz
And its strength in it
all your wishes will come completely true

Zahra Najafi

NAMAAZ

We should always read namaaz
Because we should thank Allah
for what He has given us.
Allah has given us everything
We should always read namaaz.

We should read namaaz five times a day
When you read namaaz
You pray for something you want
If Allah thinks it is good for you
Then Allah will give it to you

Fatimah Rizvi

KARBALA

Karbala is special, ziyarat to Imam
Karbala is special, say salaams to the martyrs
The shrine is a gift for you and your family
Peace fills the air when you are around the Alam
But you hear a sound coming from a distance
It is being said really loudly
It is being clearly recited
The words are following:-
Hussein is our saviour
Abbas is a brave lion
Zainab spoke against Yazid to save Islam
Red rivers, Black skies, Golden sand
Oh our Imam, his family and their plight
will stay in our hearts forever
We think about their severe thirst
Baby Aliasghar on the spear
Martyred with no water
Now raise your hands and say
"Oh Allah! place the martyrs in paradise
Punish Yazid and his army.

Maryam Mohammed

NAMAAZ

When we read namaaz, we bow down to Allah (SWT)
We feel happiness in our hearts
and our hearts send a signal to our brain,
which tells us it is prayer time.
All praise to Allah (SWT)

Fatima Kazmi

CLEANLINESS

**Clean this,
Clean that,**

Those two words are haunting me,
Those two words are now taunting me
"What's wrong with these people"? I used to say
I know cleanliness is half Imaan,
I know cleanliness is half Islam,
Everywhere I go,
Everywhere I hear
Clean this,
Clean that,
What is cleanliness I heard one day,
Now I can't stand a speck of dirt,
Anywhere I see,
I call the maid just for me,
And let her do it just for me,
That's how my life is now,
And that's how I end my poem now.

Hanna Jessa

IMAM ALI

You were the lion of Allah
The brother of Mustafa
The husband of Fatemah
The father of Hassan and Hussein

Your sword was Zulfiqar
You were so brave in the battle of Badr
You opened the door of Khaybar
You are the successor of Muhammad

You went to Masjid-al-Kufa
You went to Sajda
Ibne Muljim struck you with a sword
We miss you Imam Ali.

Abbas Jaffer

OH MY ALLAH

SUBHANALLAH

Allah made the flowers
Allah made the trees
Allah made the birds
and he made the bees

He made the world, the planets too
He even made me and you

so remember to say subhanallah for everything
he made and thank him always for all the blessings he has gave

Zainab Rose Willshire

WHY

Sometimes I see you
all so bright
shiny as a diamond in the light
But more often than not
you are dark as the night
Can you tell me why
when you are of the same
Why water why?

Hassan Naqvi

DEAR MUM

Writing memories on this paper
You are too far away to be my helper
Writing words that are just for you
I'll let you know what I've been through

It's only you who can understand
the weird turns of my restless mind
I leave for you words written on the sand
Better read them before they get washed

I find your arms the safest place
and your love the purest of all
It's far too hard, it's for me a disgrace
that remain unforgiven mistakes

Writing thoughts I want to let you know
that you were and will always be my soul
Being the past still my present
It's you when I will turn to for love.
