Celebrating Mothers Day with Tea

Assalumun Alaykum

Thank you to all the parents for all the support during this term, without your support and encouragement from the children we have had yet a busy and fantastic fun filled term.

Children's activities during half term

The children in nursery have been busy having fun and learning through their interest.

World Book Day

Children had a full week dedicated to different books, talking

to see the confidence of the children explaining who they were dressed up as and what their character does.

An amazing event held with support of our mothers, having the Khushyali of Bibi Fatema (as) and mothers day event together made the program even better, we had an amazing turn out and it was lovely to see all the children make an effort for their mothers. Mothers play an important role in the lives of the children, may Allah swt reward you for all your efforts.

Our Special Visitor

Children enjoying having their special visitor, the buggies were very entertaining and the children welcomed this special guest. It was great to see the children learn about this animal, being interested in what it eats, what it drinks and how they sleep. We thank the mum for bringing this in.

Healthy Tuesday

Last term we introduced Healthy Tuesdays, this introduction has started ask you continue this.

Weather Reminders

As you have noticed we are seeing some weather changes, we ask you to provide a jacket/coat with your child as it gets cooler when they go outside to play. All children must wear appropriate footwear as

they connective through-day.

Mobile phones

Parents and Carers are kindly requested not to use their phones on the nursery premises. Not adhering to this request directly goes against our Childs Protection Policy and therefore, we hope this will not be taken lightly by yourselves.

Reminders

- We will be sending invoices out at the beginning of each half term. Parents are expected to pay within 10 working days from the date issued. If payment is not done on time, a late fee of £10 per week will be incurred.

- We would very much appreciate if the parents remember to sign in and sign out.

- Parents are reminded to pick up and drop off their children on time. Late pick ups for morning and afternoon sessions will be charged at £5 per 5 min. Regular late pick ups will be charged and added to your invoices.

Signing in Signing out sheet

Parents and Careers are requested to sign in when they enter nursery and sign out their child/children when leaving . It is very important we do this for the Health and Safety of the children. We would like to thank all those parents who remember to do this.

A polite notice

Can the parents please call into the nursery at 9.15am to inform about their child's absence. Please note if the lines are busy we request you keep trying. This helps us to recognise the reason for absence.

Attendance

It has been noted a few children are not using their funded sessions. The new guidelines are not as flexible as they use to be. It affects children's progress and following the next steps to their learning. Any long term absences and irregular pattern in absences will be looked into. There is a possibility that the long term absences will have to reimbursed by the parents to cover the funded amount not used. A failure to meet the guidelines would mean giving up your child's place to someone else who is on the waiting list eager to start nursery. If you have any questions regarding this matter, please feel free to speak to Annie in the office.
