Summer Term 2017

As- Salaam Alaykum,

We have come to the end of another exciting and fun filled term. The last term of the Academic year. This term has been busy just as the previous ones with the added bonus of having spent a good amount of time in the outdoors, courtesy of the warm, sunny summer days as well as the new outdoor resources bought from the money collected via fundraising events.

We have been looking at different topics and interests, some of which are namely, Mini-beasts, Planting, Healthy Lifestyles, Exploring Water and a dedicated week in the month of Sha'baan learning about Imaam Zamana (atfs) under the title "Sun behind the Clouds".

Ramadhan Workshop

In line with past workshops, we had another excellent turn out to this year's Ramadhan workshop.

The parents actively engaged in and worked with their children with different activities and the children enjoyed having their parents beside them whilst making their Iftar boxes, good deed box and other craft activities.

Parents' Meetings

Staff shared their key children's learning journeys and end of year reports with parents. The children's progress were discussed along with how parents can support children with their next steps during the summer

holidays. We have received good comments whereby parents expressed appreciation and staff efforts were praised.

.

Parent Governor

Muhammadi Nursery wholeheartedly thank Sister Laila Noormohamed for her enthusiasm and hard work as parent governor this past year and hope she will continue to support the nursery in various new ways in the future.

Muhammadi Nursery embarks on a hunt for a new Parent governor for the next academic year; the governor should be eager to make a positive contribution to the nursery.
