To the Local MP:

Dear

Re: The Homelessness Reduction Private Members Bill

The above Bill has been proposed by the Rt Hon Bob Blackman MP (Con) for Harrow East and it will on the report stage on the 27th January 2017.

The bill is something we highly commend and we would like to urge the government to pay serious attention to the increasing problems of homelessness. The homeless people are members of our British society and need all the support we can extend to them in their times of dire hardships.

We as a community and society living in [insert address, town, etc] would urge you to attend Parliament on the 27th January when the bill is in the report stage and extend, on our behalf, full support for the bill.

Thanking you for your kind attention,

Best Regards
