

## Questions that were raised at the referendum

At the referendum there were a number good questions raised by the public. The committee is in the process of compiling written answers to the questions and these will be shared with you in due time. To see a list of the questions raised please see below:

- Are people voting on plans or the concept?
- Is Ravi land available and how many car parking spaces can we get?
- Can we phase go?
- How far have we projected and planned ahead and why?
- Is there going to be a masjid in the go option?
- Can we buy a smaller piece of land?
- Why are stay and go not like for like?
- Why is there such a big difference in the cost between the stay and go option?
- What will happen to the SZ building in the stay option?
- What is the committee's vision?
- Why have we not considered demolish and rebuild?
- How would you finance go and what is your fundraising strategy?
- How much did the Bohora centre cost to build and how big is their community?
- Did you obtain any pre-app advice from the Council?
- How will people join Jamaat Namaz in stay?
- What will happen to subscription fees after the new centre will be built? What are the membership fees at other centres?
- Is it possible to get a lifecycle cost?
- Why is commercial element not included in go?
- Have you sought any advice on the VAT liability will be for each option?
