

Dear Community Members,

Salam alaikum.

The CTC's Sahr Ramadan workshops took place once again this year and by the grace of Allah (swt) were bigger and better than ever before. We had over 200 children registered and while we didn't have a 100% turn out, the attendance varied between 160-180 children per session, which is a lot more than we had last year.

The topic for this year for the older children was Nahjul Balagha, they were even given Nahjul Balagha books as Eid presents which were kindly sponsored by generous donors. They learned about Taqwa and the power of Dua. The little ones learned about being thankful to Allah (swt) and about His beautiful creations. The teachers worked very hard to plan these lessons which were delivered in a way that kept the children excited and enthralled throughout.

The volunteer turnout for this year was also higher than it's ever been, our volunteer database served its purpose and we were able to recruit new volunteers and contact registered volunteers easily. We had almost 100 volunteers in total, with teachers, helpers and coordinators working hard behind the scenes and at the forefront to make sure workshops ran smoothly.

To wrap up the workshops and in aid of Ramadan Relief, we held an Eid Platter Decorating competition. We had lots of entries for the competition and the judges had a very difficult choice to make to choose the winners. The winning entries were auctioned and we raised lots of money for a good cause. A big thanks and well done to all those who took part!

We'd like to thank all the volunteers for their hard work, the parents who sent their children to the workshops and patiently abided by our guidelines and the Executive Committee for their continued support and guidance.

We are also extremely grateful to all our donors, the workshops would not have been such a success without their invaluable donations. May Allah (swt) grant their Marhumeen a lofty place in Jannah. Ameen.

Al Fateha.

With duas,
The Children's Tabligh Committee
